## “Ph-un and Ph-uncky” in Phnom Penh

A journey to Phnom Penh has never been more exciting with a number of fun and funky restaurants taking over the city’s dining scene. One of our favorites is the atmospheric Chinese House, an old merchant home from the 1900s that has been transformed into a rustic-chic urban eatery with fabulous cocktails and Pan-Asian fare.

## Fit for a Queen

Discover the beauty of Thai textiles and royal fashion at the Queen Sirikit Museum of Textiles in Bangkok, Thailand. Meet the curator and enjoy a private tour of the collection to see the many lavish and intricate garments that defined the Thai Queen Mother’s iconic style.

## The Simple Life in Ky Son, Vietnam

Spend leisurely days cycling through rice fields, meeting local villagers and restoring your energy with traditional herbal massages in Ky Son, a countryside escape just ninety minutes from Hanoi. For a truly immersive experience, we recommend spending a night or two at the charming Ky Son Moon Garden. This former summer home-turned boutique hotel was lovingly built by a Hanoi-based architect using the architectural styles and design aesthetics of surrounding ethnic villages.

## Coming of Age in Myanmar

Witness a Burmese boy's coming of age and take part in an important cultural celebration that is usually reserved for close friends and relatives. Through our local connections, Akorn guests are invited to join the festivities and see the colorful procession as the entire village comes out to honor the young boy's journey into the monkhood.

## Sundowners, Bangkok Style

Experience the true essence of a Bangkok sundowner in Akorn style, sipping Champagne and cruising on a James Bond style speedboat owned by the Thai Royal Family - the only speedboat allowed on the river. See the Temple of Dawn lit up at night – simply stunning!

## POULO CONDOR Con Dao Island, Vietnam

Set on beautiful Con Dao island, a remote island paradise just one hour by flight from Ho Chi Minh City (Saigon), Poulo Condor is a boutique oceanside retreat that reflects the style and elegance of French Indochina.

### Why we love it:

Tucked away in a remote bay, the chic colonial villas take us back to a bygone era and create the perfect place to relax and unwind amid the lush greenery and white sand beach.

## AN LAM RETREATS NINH VAN BAY, Vietnam

A short drive from Nha Trang on Vietnam's central coast, An Lam Retreats Ninh Van Bay is an adults-only, all-pool villa retreat in a secluded bay surrounded by mountains and tropical jungle.

### Why we love it:

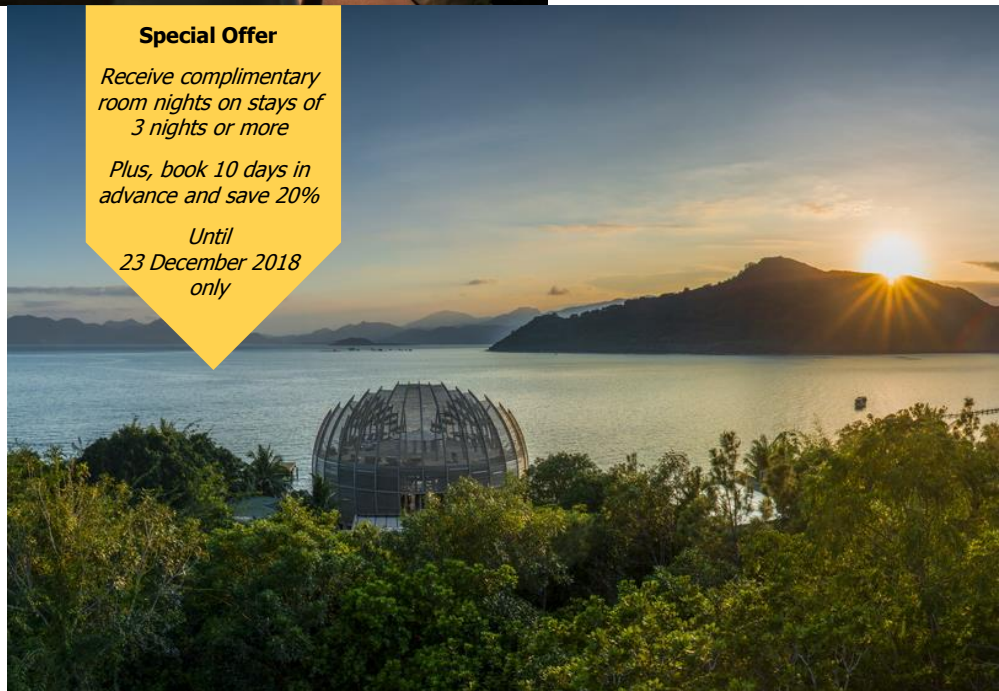

The resort's remote location and striking design are impressive, but it is the professional and attentive service that made us feel so at home, we did not want to leave.

## AMANPURI Phuket, Thailand

Hidden in a quiet corner of Phuket, Amanpuri encapsulates the Aman brand's sophisticated style with elegant Thai pavilions surrounded by beautiful gardens, coconut palms and a picturesque beach.

### Why we love it:

One of our long-time favorites, this hotel still commands one of the best beaches on Phuket and offers a peaceful escape, away from the rest of the world.

“Not all those who wander are lost.”
