

# CAPE EXPLORATIONS - 8 NIGHTS

## OVERVIEW

- 3 NIGHTS** - CAPE TOWN
- 3 NIGHTS** - BUSHMAN'S KLOOF WILDERNESS RESERVE
- 2 NIGHTS** - FRANSCHHOEK

## DAY BY DAY ITINERARY

**Day one:** Arrive at Cape Town International Airport where you will be met by an Akorn representative and transferred to your hotel.

**Day two & three:** Spend the next two days exploring the wonderful city of Cape Town. There is so much to do here and the energy of the city will leave you inspired. Set out on a historic walk of the waterfront, visit Robben Island, explore Cape Point by side car (a truly exhilarating way to see this stunning part of the world), gallop along the beach on horseback or take a Huey flight over the city. Your Akorn representative is on call to help you book any of these excursions.

**Day four:** Today you will drive three hours north of Cape Town to the Bushmans Kloof Reserve. Arrive in time for lunch and have the afternoon to relax and enjoy the facilities at the lodge.

**Day five & six:** Bushmans Kloof is nestled into the foothills of the Cederberg Mountains on South Africa's dramatic, lesser-known, west coast. There is so much to experience in the area - take a walk back in time as you look on Bushman paintings that are over 10,000 years old, walk or cycle through some stunning routes allowing you to get that much closer to the flora and fauna of the area or set out on a canoe on the tranquil

waters of the dam. For those interested in fly fishing try and outwit the Clanwilliam Yellowfish, endemic to the area, on a catch and release basis. The Bushmans Kloof Spa was recently voted the Best in Africa and is certainly worth a visit to relax and unwind after a day exploring the bush.

**Day seven:** After breakfast you will be met by your Akorn representative and drive to the Franschhoek in the heart of the Winelands.

**Day eight:** Take the day to explore this wonderful little village. There are numerous little shops and restaurants that line the high street all providing something unique to those passing by. Being in the heart of the winelands there are also numerous farms that offer wine tastings - often accompanied by a delicious platter of cheeses also produced in the area. Contact your Akorn representative to book a tasting at some of the best farms in the area.

**Day nine:** Today you bid farewell to this wonderful part of South Africa. You will be met by your Akorn representative and transferred to Cape Town International Airport for your flight home.

### SUGGESTED EXTENSIONS

- **Madikwe Game Reserve** is South Africa's fifth largest Big Five game reserve and home to the Super Seven, which includes all Big Five species as well as cheetah and wild dog. There are an estimated 400 wild dogs in South Africa and a large proportion of these are thriving in the Madikwe habitat.
- The **Eastern Cape Game Reserve** is situated along the Garden Route, making it the perfect Big 5 South African safari destination to compliment a Cape Town visit. This malaria-free park is home to some of the richest biodiversity in Southern Africa.
