DAY BY DAY ITINERARY

Day one: Arrive O.R. Tambo International Airport where you will be met by an Akorn representative and transferred to the Federal Air Hangar for your onward shared light aircraft flight to Madikwe Private Game Reserve. On arrival you will be met by the lodge vehicle and do a short game drive back to the property and check in.

Day two: The lodge is the ideal place for the start of your family safari - after an early morning game drive searching for the Big 5 the children can head over to the Eco House, this is a Kids Only area! Here they will explore the natural world and disconnect from technology whilst the parents can use this time to relax and enjoy the facilities of the property.

Day three: This morning transfer to the airstrip for your shared light aircraft flight to the Federal Air Hangar where you will be assisted to connect onto your onward flight to Tswalu Kalahari. On arrival you will be met by a lodge vehicle and transferred to the property.

Day four & five: You and your family have the next two days to explore this magical area. Tswalu Kalahari is South Africa's largest private game reserve and is home to rhino, lion, leopard, wild dogs and more. The Kalahari is also the ancestral home of the San people and many of their ancient engravings, some of which may be the oldest artworks on earth, can be seen here. Spend time with the Meerkat colonies and get to view this wonderful creatures up close or take a horse riding lesson and introduce your children to something new.

Day six: Transfer to the airstrip for your shared light aircraft flight to Cape Town International Airport where you will be met by an Akorn representative and transferred to your hotel for the night.

Day seven & eight: You have two full days to explore the wonderful city of Cape Town. Your hotel is located in the centre of town and numerous shops and restaurants are within easy walking distance. You can also book a variety of exciting excursions with your Akorn representative at an extra cost - drive up to Signal Hill for a sundowner like no other, do a bicycle ride through the artworks that line the sea front or go on a chocolate and wine tasting tour out in the stunning winelands. There is something for the whole family to enjoy whilst out in the city.

Day nine: Today you start your journey home. You will be met by your Akorn representative and transferred to Cape Town International Airport for your onward flight.
