DAY BY DAY ITINERARY

Day one: Arrive O.R. Tambo International Airport where you will be met by your Akorn representative and transferred to your hotel for the night.

Day two: This morning drive to the Waterburg region, in your private Akorn vehicle, just a few hours north of Johannesburg. You will arrive in time for lunch and an afternoon game drive on the reserve.

Day three & four: Over the next two days you and your family can explore the reserve and there are a huge range of fun activities available for the children including game drives, bug and spoor walks, learning to become a ranger, fishing, mountain biking and much more. Parents are welcome to join in or sit back and enjoy some arm chair game viewing at the lodge.

Day five: Today you will be transferred to Madikwe Private Game Reserve; arrive in time for lunch at the lodge then set out to explore the area on a game drive. Madikwe is currently the fifth largest game reserve in South Africa and is home to the big five - it is also one of the lesser known parks making it a true hidden gem.

Day six: Set out on an early morning game drive in search of the big five. The cool mornings is when the wildlife is at its most active and the softer light makes for fantastic photography. Return to the lodge for a hearty brunch then take some time to relax by the pool and enjoy the facilities of the property. In the afternoon head out again to tick off those final species from your wish list before returning to the lodge and gathering around the campfire to share your tales.

Day seven: This morning you are transferred to the airstrip for your shared light aircraft flight to Johannesburg where you are met by an Akorn representative and assisted onto your scheduled flight to Cape Town. On arrival you will be met by another Akorn representative and transferred to your hotel for the night.

Day eight & nine: You have the next two days to explore the magical city of Cape Town. The Waterfront is within easy walking distance of the hotel and offers up a fantastic array of shops and restaurants. If you are looking to go further afield speak to your Akorn representative who will be able to book a variety of excursions for you at an additional cost including a tour up Table Mountain, a Stand Up Paddle Boarding experience or a visit to meet the Cape Penguins at Boulders Beach - the options are endless and there is something for every member of the family to enjoy.

Day ten: Today you will be met by your Akorn representative and transferred to Cape Town International Airport for your onward flight and journey home.
