

MULTI-GENERATIONAL - SABI SAND & GROOTBOS - 6 NIGHTS

OVERVIEW

3 NIGHTS - SABI SAND

3 NIGHTS - GROOTBOS PRIVATE NATURE RESERVE

DAY BY DAY ITINERARY

Day one: Depart Kruger Mpumalanga International Airport for your private light aircraft flight to the Sabi Sands. On arrival you will be transferred to your lodge and overnight. Cheetah Plains Lodge exudes luxury and you will have absolutely no problems at all settling in to your new home. You will have access to private game drive vehicles, a private swimming pool and your very own chef. It's going to be an amazing week ahead. Feel free to take full advantage of all these amazing services and amenities.

Day two: Enjoy your private morning and afternoon game drives in the privacy of just your friends and family. The game drive vehicles that you will have access to are extra-special as they are electric. This means that with no engine noise roaring from under the bonnet, you have the added advantage of being able to sneak up on wildlife and get much closer to animals without them being scared away too quickly. Enjoy informative bush walks with your guide and tracker as they take you on easy and relaxed walks looking for small critters that are missed while on game drives and learn how to identify and track animals by analysing their footprints. This is a great activity for the young and old.

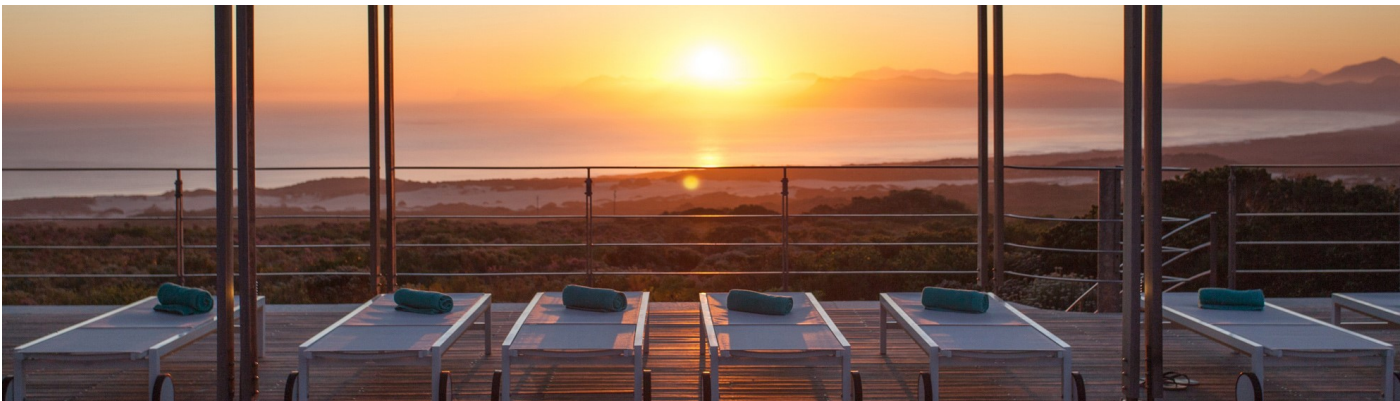

Day three: If you are keen on staying fit while on holiday, visit the fitness centre and enjoy access to all the latest equipment and training machines available. For kids under 12, there is an amazing "Cub Club" which is totally geared up to keep kids entertained and engaged while on safari. While the kids are out having fun, why not call in your personal wellness team and enjoy a spa treatment in the comfort and privacy of your own suite. There is lots of room to enjoy time in the public areas with friends and family, and private areas to retreat to when you want some alone time to spend with a loved one, or to enjoy a nice book with a cup of coffee; the choice is all yours.

Day four: Depart from the airstrip on a private light aircraft flight to Kruger Mpumalanga International Airport for your onward flight to Cape Town International Airport. On arrival you will be transferred to Grootbos Private Nature Reserve. Your adventure continues as you arrive at this amazing property, so start planning your activities immediately.

Day five & six: There is so much choice, where to start! From Shark Cage diving and Whale watching tours, to horse back riding and hiking into the Klipgat caves. There are 4x4 Botanical Safaris, beauty treatments, Fatbike tours, scenic flights, or maybe even a trip down to do the Southern most point of the African continent, Cape Agulhas. You have an incredible variety of activities to choose from to fill your day and these can all be organised with the Grootbos team whilst you are with them.

Day seven: Transfer to Cape Town International Airport for your onward flight or continue your journey in this magical city.
