## SUGGESTED EXTENSIONS

- **Victoria Falls**, a World Heritage Site, is the tourist capital of Zimbabwe. The Falls are steeped in legends, romance and myth and long before the Dr David Livingstone, 'discovered' The Falls, the local Batonga people had named them Mosi-Oa-Tunya, the smoke that thunders.
- **Chobe National Park** has an abundance of wildlife throughout the year and is famous for its predators. Spot lions, hyena, jackals, cheetah and even wild dog.
- The **Okavango Delta** in Botswana with its vast and diverse wildlife species is one of the premium destinations in the world for a dynamic safari experience and offers a truly unique wilderness safari in Africa.
