

Sabi Sand & Grootbos Villas

ITINERARY

1 Arrive in the Sabi Sand Game Reserve

Upon arrival at Skukuza Airport, you will be met and transferred to the lodge and overnight. The transfer time is approximately 45 minutes.

The Sabi Sand Game Reserve shares a fenceless border to the east with the world famous Kruger National Park and a southern border with the Mala Mala Game Reserve. Two rivers cross Sabi Sand Game Reserve – the Sabi River in the south and the Sand River which flows from northwest to southeast. As a result, game viewing possibilities are unparalleled, including the much sought after the 'Big Five'. There are no fences between Kruger National Park and Sabi Sand Game Reserve, so wildlife roams freely in a huge natural environment. Sabi Sand possibly makes the best South African safari destination for wildlife enthusiasts, photographers and bird watchers alike.
